MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : IG Survey of TSS

REFERENCE : Letter from [] to DCI, dtd
12 June 1958, attached

For your convenience I have extracted the recommendations from pages 217 and 218 of the IG survey to which [] makes reference, together with DD/P comments to DCI dated 7 August 1957.

1. It is recommended that:

The DCI issue an appropriate directive authorizing the DD/P to conduct a research and development program in the behavioral sciences field as described above, and the DD/P assign this responsibility to Chief, TSS.

DD/P comment

Concur.

2. It is recommended that:

- a. Chief, TSS, instruct Chief, Chemical Division to keep Medical Staff, Office of Security, and Office of Scientific Intelligence informed of the actions taken under the research and development program in the behavioral science field.

DD/P comment

Concur.

- b. Products, techniques and information resulting from such program be made available to those units.

DD/P comment

Concur. Products, techniques and information will be made available subject to security limitations, and in each instance to the specific approval of the Chief of Operations, DD/P.
